Dust off your passport and get ready to strike out into new terrain with the help of these intuitive travel companies and services

In need of inspiration for your next big getaway? Look no further as we highlight a collection of the resorts, destinations, travel services and products you should know about before booking that flight.

## Discover the beauty of Tuscany from your suite

(La Guardia)

There's no better way to take in the gorgeous Tuscan landscapes than from the peaceful interiors of your seaside hotel. Sitting on the lovely Giglio Island is [La Guardia](#), a design hotel overlooking the village of Giglio Porto in the Tuscan archipelago. In the rooms and suites, contemporary Italian decor blends with natural materials such as wood, stone and concrete, to match the marvellous natural surroundings.

The hotel's wine cellar boasts 70 rare wines from Mediterranean islands, while every night, Mediterranean dishes are served on the idyllic terrace. Enjoy the gentle summer breeze as you gaze at blue waters for hours on end. Make a reservation at [reservations@laguardiahotel.it](mailto:reservations@laguardiahotel.it).
